TERMS AND CONDITIONS

- All Prices are FOB Mill. (prices subject to change)
- If special shipment services, such as inside delivery, residential delivery, lift-gate, re-delivery, or COD are required, those charges will be invoiced at the carrier's current rate. Additionally, if these services are not noted on your P.O., we cannot provide advance notification and the charges may be invoiced separately when the carrier's invoice is received. Please ensure that consignee phone numbers are provided to prevent any delays in your shipments.
- Products and logos shown in this catalog are intended to illustrate the products and options. These products are not for sale. Actual product colors may vary.
- All gift wrap designs are proprietary to Shamrock Corporation and may not be reproduced without permission.

Printing Methods

Add your logo or message to stock bags, boxes and ribbon. Choose between hot stamping and ink printing.

Post Production Printing is used to customize stock bags, boxes and ribbon in a specific printable area.

Inline Printing can be used to cover your entire paper bag with ink during the bag manufacturing process.

Hot Stamping

Best for adding gloss, matte or metallic designs to your bag. Heat and pressure is applied to a custom plate that transfers dry ink or foil to the surface of the product.

NOTES:

- Separate plates are needed for each ink color
- Hot stamped designs that include continuous borders do not print well
- Products with ultra gloss coating cannot be hot stamped

Lead time: 2-4 Weeks

Inline Printing for Paper Bags

Cover your entire bag with your brand or message.

Inline printing provides maximum flexibility for your paper bag design. Your design is printed at the same time the bags are made so there are no limitations in the printable area. Only available on Shamrock Better Bottom Bags.™

Call for custom quote.

MOQ 6000

Lead time: 4-6 weeks

Ink Printing

Best for adding ink to specific printable areas on uncoated boxes and bags.

Fast and economical, ink printing is a process through which ink is transferred from a flexible plate to a finished product's surface. Ink printing is best for 1- or 2-color designs when tight registration is less critical.

More Custom Printing Details

Maximum Printable Areas

- Maximum print area information is located on the appropriate product pages.
- There is no maximum print area with Shamrock Better Bottom Bags.

Variations

- Imprint colors on different bag or box styles or sizes on the same order or from order to order may vary slightly within commercially acceptable industry standards.
- Print quality on paper bags may be slightly affected by folds and creases that are produced in the manufacturing of bags.

Product Minimums

- Product sizes may be combined to reach printing minimums as long as the same plate and same color are used.
- Orders for combined products (bags & boxes) will be priced at the higher minimum printing price. Example: 250 shopping bags and 250 boxes will both be priced at the higher minimum if combined.

Plates

- An order involving two plates for two different product sizes constitutes two separate jobs. Each job will be priced separately to determine printing charges.
- Plates and screens are stored for reorders.
- Active plates will be placed in inactive status after 2 years and destroyed after 3 years.

Under Run Fees

- Orders are subject to a 5% under run; the full order quantity will be invoiced.

Artwork

- Print-ready artwork is required; otherwise additional art charges may apply.
- Artwork must be submitted with fonts or outline type. All non-standard fonts must be supplied.
- Artwork must be submitted in a vector graphics format using Adobe Illustrator.
- Fine lines and large prints with reverse-outs do not print well and art may need to be modified.
- Halftones or screens cannot be hot stamped or ink printed.
- Shamrock can match any PMS color for ink customization. There is a \$75.00 charge per color.

Art Prep

\$50.00 flat fee charged for basic art preparation and copy changes when supplied art is not print-ready.

Proofs

A digital proof will be provided for final approval. Press proofs are available for a charge of \$50.00.

Art Development

\$100.00 per hour with a 1 hour minimum for developing art for post printing. This includes: creating logos or art from concept, changing low resolution files to vector files, finding specific fonts when not identified or supplied by customer, changing multi-color art to single color and other more complicated art requests.

Art Development Requests

Submit art and art development requests to artwork@shamrock1.com. You will receive a quote for approval to proceed. Art charges will be invoiced along with job cost.

All artwork submitted is assumed to be in full compliance with the laws governing copyright, trademark, etc. By placing orders, customers agree to hold full responsibility for any damage, costs and expenses resulting from the use of the artwork.

Artwork position on post printed bags may vary slightly from bag to bag due to manual feeding.

Ribbon Art Specs:

- ¼" minimum spacing between images
- 24" maximum spacing between images
- 12" maximum plate length
- Maximum image height ¼" less than ribbon width

Custom Counter Roll Sizes

Length

Need smaller rolls? No problem. Convert any stock or custom paper into a custom small roll. Small rolls are shrink-wrapped or banded and wound coreless or on sheet stiffener cores and custom labeled.

- Minimum Quantity: 5000 linear feet
- Minimum Length: 5'
- Maximum Width: 30"

Width

Full Reams, Half Reams and Custom Printed rolls can be cut to your desired width.

- \$20.00 charge per cut
- All finished rolls are shipped in the original carton.

Kits

Gift wrap and various retail packaging products can be assembled into kits. Tell us your requirements and specifications, and we will gladly suggest options and provide quotes.

Custom Counter Roll Printing

Create custom gift wrap for your retail packaging. Shamrock is a leading manufacturer of gift wrap in the U.S. - providing gift wrap to major distributors and retailers since 1957. We're happy to help you develop unique wrapping paper for your brand.

Minimums

- 25 Full Reams for 1 color or solid tinted
- 50 Full Reams for 2 or more colors
- Standard width is 24". For widths less than 24", minimums are double
- Custom counter rolls are subject to under/over runs up to 15%.

Paper Options

- 40# Natural Kraft
- 50# and 60# C2S
- 53# Metallized,
- 45# Laminated Foil
- 54# Holographic

Recolorations

Recolor stock designs to create custom colors and avoid the cost of custom engraving cylinders.

- Only line designs can be recolored;
- Multi-color process designs cannot be recolored.
- Minimums are
 - 25 reams for 1-color
 - 50 reams for two or more colors

Art Requirements

All digital files must be high resolution and a composite print of the design must be included to show layout and direction. Please provide the following file formats:

.PSD, .TIFF, .EPS, .ai

Art may be sized to repeat vertically in any even denomination of 24" (1", 2", 3", 4", 6", 8", 12" or 24").
